HOMESTAY TERMS AND CONDITIONS

Living with a local family will enable students to improve their Spanish skills while they enjoy and get a better knowledge of the Spanish Culture. It will facilitate their adaptation and integration to the city and the University.

Families are carefully selected by the Foundation of the University of La Rioja and have experience hosting international students. They will help students with the arrangements they need to make when they arrive in Logroño.

The cost of the homestay is 700€/month plus 50€ for administration fees.

Terms and conditions

- The agreement between the host family and the student will be for one month from arrival. After that, if the student and the family agree, the stay may be extended as long as both parties wish.

- Every family will provide the student with a bedroom (single or shared with other student, depending on the option chosen), equipped with a bed, wardrobe, desk, chair and Wi-Fi. Students' experiences

"En Logroño me han pasado seis meses que nunca olvidaré. He conocido a amigos de diferentes países y tengo los mejores profesores del mundo. Lo más importante e impresionante es que haya convivido con una familia española y me trata como a su propia hija. Amo Logroño, amo España y ¡viva la amistad!"
